

Pipet-Aid® Hood Mate®

- Longer 6' coiled hose
- Extremely lightweight (4.3 oz.) handle provides nine fill and empty speed settings and proportional fingertip control
- Never needs recharging—handle holder incorporates “auto-off” feature
- Energy saving “auto-off” feature automatically shuts unit off after 3 minutes of nonuse
- Compact, convenient, and won't walk away. Dedicated pump housing attaches to hood wall which saves space and prevents spills
- Coiled vacuum/pressure line entering handle from the top prevents accidental knocking over of bench items

The Drummond Pipet-Aid Hood Mate is specifically designed for convenient, comfortable pipetting under a hood. The Pipet-Aid Hood Mate can deliver precise volumes with exact control. This new unit is lightweight, never requires recharging, and won't walk away from your workstation. All materials of construction are UV resistant.
